Efficiency - Transparency - Community

# Efficiency - Transparency - Community

## EFFICIENCY

- Expand awareness** of Township services and seek additional Revenue sources.
- Strengthen Township's unique services**- general, emergency assistance, food pantry. etc.
- Eliminate duplicate** services.
- Utilize **Best Practices Methods and Fiscal Responsibility** to offset existing high administrative cost.
- Disseminate Township Information like the Crier, and other information, via **e-mailing**.

## TRANSPARENCY

- Post detailed **Budget** online and make it available in the library.
- Post detailed **Financial Statements** online and make it available in the library.
- Post complete and detailed **Meeting Agenda and Minutes** online.
- Enhance existing **Township Map** on the website.

## COMMUNITY

- Revamp and revitalize the Township image**.
- Expand **Environmental Committee** for a more "Green" and environmental conscious community.
- Host Residents Forums** based on residents input.
- Establish a strong **Cultural Committee**.
- Host regularly scheduled "**Coffee with the Board**".
